MEMORANDUM FOR: Director of Central Intelligence

FROM:
Director of Training and Education

SUBJECT: DCI Remarks to a Group of Career Trainees

DIA REGISTRY

FILE: Training-3-3

1. On 7 July 1981 approximately 150 Career Trainees will be assembled in the Headquarters auditorium. Approximately 100 of these Career Trainees will have recently completed their operations training program and approximately 50 will be in various stages of preparing to go overseas. With few exceptions all of the Career Trainees assembled in the auditorium have been or will be assigned to the Directorate of Operations.

2. We believe it would be useful for these young officers to learn directly from you what the Agency expects from them in the years ahead, what you perceive to be the major issues of concern to the United States and any other comments you may have for them as they begin their careers in the Agency.

3. We prefer 1100 to 1145 hours, 7 July in the auditorium for your remarks; however, any hour on 7 July will be suitable.
